

Word Focus: Attentiveness

Attentiveness is “concentrating on the person or task before me.” Not only does this help you learn, but it shows how much you value the person or project in front of you.

Attentiveness isn’t always easy, especially in today’s multi-media and fast-paced world. Sometimes you have to silence your phone, turn off the television, or face away from other distractions in order to give someone the respect and attention they deserve.

I WILL:

- Look at people when they speak.
- Ask questions if I don’t understand.
- Sit or stand up straight.
- Not draw attention to myself.
- Not be distracted by others.

UPCOMING EVENTS:

- *PTA MEETING: Thursday, Jan. 18th after pickup
- * WINTER BREAK: Feb. 19th – 23rd, 2018

IN OTHER NEWS: the school is collecting plastic grocery sacks, yarn, 2 liter bottles, and lids for various projects. Also, we have worked out a lunch option through High Street coffee. Information will be going out today to being ordering lunches NEXT WEEK.

A NOTE FROM THE TEACHERS

Ms. Prichard’s class: Pre-k & Kindergarten will be focusing rd, on the months of the year and days of the week; number recognition - teens and twenties. They will also be counting to 100, working on story comprehension, sight word recognition and color words.

Mrs. Hewitt’s class: The 1st graders have joined Mrs. Hewitt’s class! Everyone is excited to start their new adventure together. 1st grade is starting a novel study over “Flat Stanley” by Jeff Brown and the 3rd graders are reading “How I Became a Ghost” by Tim Tingle. In math, they are all learning about measurement and data. In Social Studies, they will be studying the Trail of Tears.

Ms. Delp’s class: In Science they are researching human impact on conservation efforts. For math they are still focusing on percentages. *Please be working flash cards with your students.

***Ms. Delp is offering tutoring for students on Thursdays from 3:15pm-4:00pm.*

Mrs. Ward’s class is diving into part 2 of To Kill A Mockingbird. They will have reading assignments each night. They are also starting a unit on fossils in science.
