## The Optimist Creed

Promise Yourself –

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness, and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit trouble.

## Family Project for April 6th-April 17th

Each month our students participate in Read Around the World. We have visited many places and learned about different cultures. The month of March we were going to visit Ireland! I thought it would be fun and educational to research this country with your family. You can make a collage of various information and pictures, learn different customs, and we will provide a virtual cooking class, compliments of Tania Kerney. Every virtual activity can be found on our YouTube channel on our website. If you haven't signed up, please do so. You don't want to miss out!! We encourage you to post pictures of your projects, read a report and post to our page. We miss seeing our students and their amazing and creative projects each month!
